About US

Since Chelsfield Motor Works was started in 1970 with little more than a tool box and a couple of trolley jacks, things have come a long way. We have grown into the largest independent repairer for miles around, trading on a policy of total honesty, we have acquired the best technicians, mechanics and office staff to create the most dedicated team in the South East which helped us win two independent, coveted awards.

Main dealer servicing schedules are set out by the manufacturers, whose primary goal is to sell more cars, not maintain old ones. We, on the other hand have a different objective. We want you to be driving around in a safe and reliable car, in which you will come back next year for your annual service.

Since the introduction of the Block Exemption law in October 2003, many of you have

realised that you no longer need to take your newer cars to main dealers for servicing, without invalidating your warranty, and that our stamp in your service book is every bit as good (and sometimes better) than the dealer's.

With three courtesy cars constantly running around the Orpington area, taking people home, to work or to the station as a sort of complimentary taxi service to our customers, whilst their car is in for service or repair, we aim to maintain the highest standard of service to our customers.

So the next time your car needs to go to the garage for whatever reason, find out why so many people now take their cars to Chelsfield Motor Works, where our friendly staff will do their best to please you.

Chelsfield Motor Works is so successful because....

CWW We are honest.

CWW We have highly skilled and qualified mechanics.

CWW We use only the highest quality parts available.

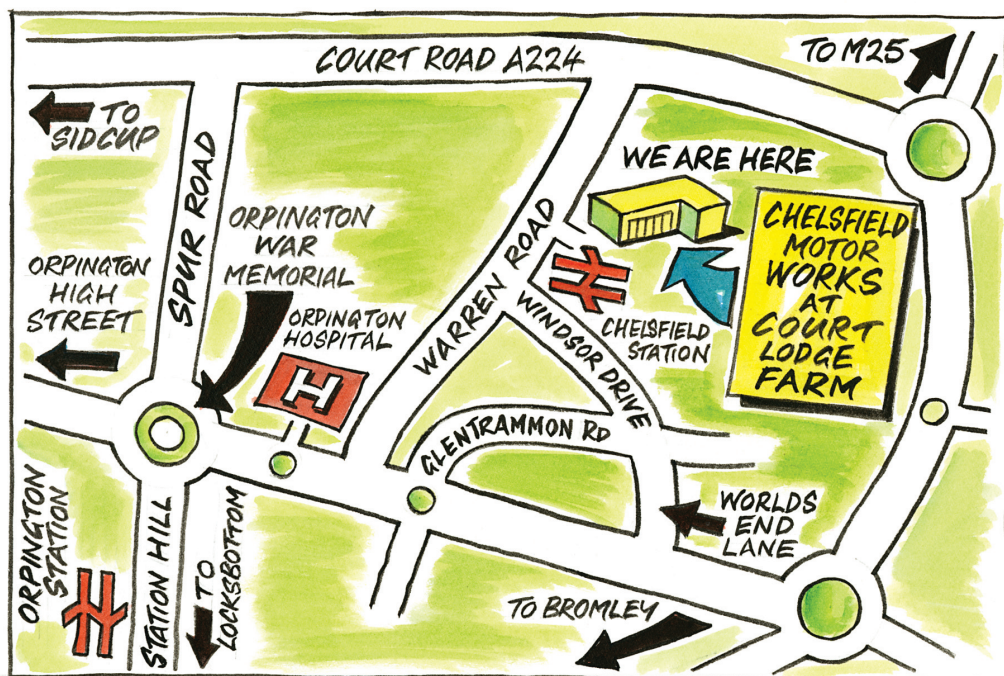

CWW We guarantee all our work.

CWW We have caring staff who genuinely aim to please you.

CWW We stamp your service books ensuring your manufacturers warranty is not affected.

“If it ain't broke, we don't fix it!”

Orpington's Largest Independent Garage

How to find US

1/4 of a mile uphill from Chelsfield Railway Station on the right hand side at Court Lodge Farm.

If you would like to enjoy using a local, friendly garage that you can **TRUST**... contact us or just drop in.

Don't be tied to a main dealer
Be independent, *and pay less!*

If your car is still under manufacturers warranty:-
You can bring it to us for servicing without affecting your consumer rights to that warranty

you to and from home locally

What people are saying about us...

"Great service, friendly people,
good price. See you again!"

"I was concerned over costs and
was told £400... On picking up
the car I was told cost was now
just over £330... How refreshing
was that?"

"The mechanics are brilliant
and the ladies on reception are
always so helpful and efficient,
that it makes any dealings with
the garage hassle free."

Proud associates of:

We support local charity The Maypole Project, which provides a lifeline of
support for children with complex medical needs and their whole family.
